To Add Service Delivery Locations

1. At the top of the screen – click **My Account > User Profile**.

The **Manage User Profile** screen displays

2. Scroll to the **Organizational Membership Information** section.
3. Use the Service Delivery Location EFC to **find** and **select** a Lab Service Delivery Location to include in the list of favorites.
4. Click **Add SDL** to add the SDL to the list of Associated Delivery Location(s) below.
5. Repeat steps 3 and 4 to add additional SDLs to the user profile.
6. Click **Save** button.
7. Log out of Panorama. After logging back into Panorama, the changes will be effective.
